"Blind Date with a Book" Display

In February be sure to check out Way's "Blind Date with a Book" display. Will you find your match with one of the books? We'll let you know a little bit about them on the cover but then it's up to you to take a chance. If things don't work out, you can just return it-no hard feelings.

Be sure to fill out the "rate your date" card inside the book to be entered into a drawing for a gift certificate to Stella's. You can drop it in the Valentine's "mailbox" at the Circulation Desk when you return your book. One entry per book, please.

Prize Drawings Kick Off New "Baker's Way" Collection

Way Library is now circulating cake pans. The new collection, called "Baker's Way," includes more than 70 round, square, character and many other shape cake pans. The loan period is two weeks and is located on the main floor, just past the holds shelf.

Our kick-off festivities include a weekly drawing through February 12 for \$20 gift cards with a Grand Prize drawing on February 13. Entry forms can be found on our main aisle display and near the cake pan collection. In addition, Way is sponsoring a cake decorating class on February 13.

Computer Use Changes Coming February 1st

In order to offer fair access to the computers for all of our patrons, we will be changing the computer usage times.

Beginning February 1, 2014, every patron with a valid library card will have three hours each day to use the computer. We will not be able to extend anyone's time on the computer. We also will only be issuing Guest Passes to our "Out of State" guests.
