Dear Library User,

Summer is in full swing now! We hope you've enjoyed the Summer Reading Programs we've offered so far. Here are some news bits about what's been going on around the library since our last newsletter.

- The library will be closed Thursday, July 4th in observance of Independence Day.
- In June, our favorite Local History Librarian, **Richard Baranowski**, was awarded with a local media award by the Fort Industry chapter of the Daughters of the American Revolution (DAR). This award is presented to a local person or group for outstanding work that promotes education, historic preservation or patriotism. Specifically, DAR cited his preserving the oral histories of local veterans and families.
- We have a new staff member to announce. In June, we hired a new Programming Specialist. Her name is **Natalie Dielman**. We expect you to be seeing her at many future programs held at Way Public Library. We are very excited to see her programming ideas come to fruition. If you see her, make sure you give a warm Way welcome.
- Our Summer Reading Programs will continue into early August. [Click this link](#) to view the flyers for Children, Teens, and Adults.
